Apple Donuts

Ingredients

3 apples

1/3 cup cream cheese

1/3 cup nut butter

Suggested toppings: raisins, chocolate chips, shredded coconut flake, and granola

Directions

1. Slice the top and bottom from each apple. Slice the apples into circles.
2. Use a cookie cutter or knife to cut a hole in the center of each apple slice to make a "donut."
3. Spread the cream cheese or nut butter carefully on the apple slice. (Tip: pat the apple slices with a paper towel to help dry the apple. This helps the cream cheese or nut butter stick to the apple.)
4. Top each apple slice with a variety of toppings.

Mix It Up

Try adding your favorite toppings to the apple donuts, like strawberries, bananas, dried cranberries, blueberries, cacao powder, maple syrup, honey, pistachios, pomegranate seeds, or pumpkin seeds.
